

Hello It`s Me

Rahaf Abd-Alrahman

Graphic design and web design

About Me

Graphic design and web design

My name is Rahaf, I am studying e-marketing at Al-Balqa University. I am learning programming at Orange Academy. I have graphic design skills and I am learning artificial intelligence. I want to learn new things and master the English language.

My Education

I am now training in programming at Orange Academy to gain experience that will help me in the job market in the future

I graduated from the College of Al-Balqa Applied University, majoring in e-marketing. I obtained a comprehensive successful certificate with a GPA of 75.7, third in Aqaba, majoring in marketing.
